

Good Day!

Hi,

I have attached here two pay slips from Hi-Precision, which was previously known as Sunrise Medical Lab Inc. The reason why I have to upload my pay slip is due to the fact that Hi-Precision cannot issue a Certificate of Employment if an employee was not able to reach more than 6 months of tenure as per the HR department. Also, as previously uploaded, you may see in my SSS employment history that I was once hired and worked with Hi-Precision. Should you need any more information, please do not hesitate to contact me.

Kind Regards,

Steven Villalobos
