

## Explanation Letter

To whom it may concern:

In line with your application requirement, I have received an email about undeclared employment captured in my SSS employment history. This letter would clarify the matter at hand. Sunrise Medical Lab Inc. is the registered name of Hi-Precision Diagnostic, which is the name of the company I have declared on all the documents I submitted throughout the application process. They were operating their service under their new name even before I started my employment with the company in September of 2020. This matter was cleared by Hi-Precision itself when I contacted them to ask for a certificate of employment. Also, under the Securities and Exchange Commission websites, it is stated that Sunrise Medical Lab, Inc. is doing business under the name of Hi-Precision Diagnostics (please see attached image below).

The screenshot shows the SEC Express website interface. The browser address bar displays 'secexpress.ph/application-form'. The website header includes the SEC logo and navigation links: Home, Order (highlighted), Payment, Check Status, FAQ, and Service Fees. Below the header is a green banner with the word 'Order'. The main content area features a search bar with the text 'Company Name or SEC Registration Number:' and a search button. The search results are displayed in a table:

SEC Registration Number	Company Name
CS200341341	SUNRISE MEDICAL LAB, INC. DOING BUSINESS UNDER THE NAME AND STYLE OF HI-PRECISION DIAGNOSTICS PLUS ADVANCED LAB SOLUTIONS AND HI-PRECISION DIAGNOSTICS

Below the table, a link is provided: 'Please [click here](#) if you cannot find the company you are looking.'

I hope this document would suffice. If you have questions regarding my employment history, please let me know.

Hoping for your consideration.

Thank you very much,
